

LV= Vanguard Sterling Short-Term Money Market Fund

Fund Benchmark

SONIA Compounded PR GBP

Investment Objective

The Fund seeks to provide stability in the value of investments, liquidity and exposure to a variety of investments that typically perform differently from one another while maximising income earned from distributions such as interest (as opposed to that derived from an increase in the value of investments). The Fund seeks to achieve this objective by investing in short-term money market instruments including but not limited to bank certificates of deposits, commercial papers, corporate and sovereign variable and...
